

# CERTIFICATE

**0036 - CPD - S 015**

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD) amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product **welding consumables**

## Wire electrodes and rods acc. to EN ISO 18273

of the company

**Alumat d.o.o.**

**Partizanska 38  
SI-2310 Slovenska Bistrica**

is submitted to a factory production control.

The Notified Body TÜV SÜD Industrie Service GmbH has performed the initial inspection of the factory and of the factory production control (FPC) and performs the continuous surveillance, assessment and approval of the FPC.

This certificate attests that all provisions concerning the attestation of conformity and the properties of the product described in Annex ZA of the standard

**DIN EN 13479: 03.2005**

were applied.

This certificate was first issued on 03.08.2006 and renewed on 27.05.2010 and remains valid as long as the conditions laid down in the harmonized technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly, and latest on 26.05.2013.

The certificate authorizes the company to use the CE mark for the approved welding consumables mentioned in the enclosure to this certificate.
